Uplake Trips

Want a different Lake Chelan fishing experience? Try an Uplake Trip. Some of the most spectacular scenery in the world and a better chance at hooking one of Chelan's gems, the landlocked Chinook. This is a 10 hour trip and is much more subject to rough water. We will fish above the Lucerne landing. One or two people \$500 plus tax for the boat. Three or more people \$185 per person plus tax.
